

FOCUS

30W-AC-4,770L

30W AC powered flood light 4,770 Lumens

FOCUS Commercial & Industrial LED High Bay & Stadium Lights

4,770 Lumens
159lm/W

LED Replacement for 100W Metal Halide High bay fittings

Suitable for Indoor: Sport Arenas, Gymnasiums, Tennis Courts, Warehouses any Very large Areas

12 X Next Generation LED's

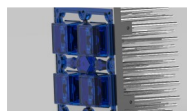

Surface Mount and Wire Guard

Customised LENSES available

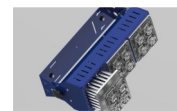

MECHANICAL

Adjustable LED Flood Light.
With Different Optic Lenses.
Suitable for very large Indoor areas like:
Stadium Lights, Indoor Arenas, Gymnasiums,
Warehouses, Garages, Manufacturing
facilities, Aircraft Hangers, Retail stores,
Super Stores & Tennis Courts.
Fitting with different LENS options

LED CONFIGURATION

LUMILEDS V2
2x6 LUMILED V2 Extreme High Power CHIPS
Nominal CCT/Color 5650K Cool White
Typical CRI 70
Typical Luminous Flux @350mA
159lm per Watt
Extreme Cooling Patented

AC POWER

Powered by AC Single Phase.
Power Factor Greater than 0.98

30W-AC-4,770L

30W AC powered flood light 4,770 Lumens

Designed System Performance

Comparable to 100W—200W Metal Halide replacement LED solution	4,770 (LUMENS)
LED Driver	Meanwell
Supply Volts	100-300VAC
Power Factor	Greater than 0.98
Power Consumption	30W
IP Rating	IP67
NEXT generation LED's	LUMILEDS V2
Quantity	12 x LUMILED's V2
Nominal CCT/Colour	5650K Cool White
Typical CRI	70
Typical Luminous Flux (lm) @350mA Forward Current +_1W	159lm per Watt
Cooling Multi Contact Star Extruded ALUMINIUM	Machined Profile
Lens Type Used	Numerous Lenses Available
